

IRANIAN ECONOMIC REVIEW

Print ISSN: 1026-6542
Online ISSN: 2588-6096

University of Tehran

The Iranian Economic Review (IER) is a double-blind peer-reviewed, open-access journal intended to publish original research papers in the field of economics.

IER is indexed in **SCOPUS** (from 2013 to present) as the largest abstract and citation database of international peer-reviewed journals.

The main purpose of IER journal is to provide a forum for members of the academic community who are interested in the Iranian economy. Manuscripts are invited and subject to anonymous review.
